

Games of Moans & Groans

Does your club like to support children's charities?
Does your club like to have some fun?
Do your group members like to win prizes?

If you answered "yes" to all of the above then we are looking for your club to sign up "five" representatives to take part in our biker games event scheduled for Sunday – June 29th at 14:00 at festival headquarters.

What's Involved?

We have 5 activities as follows:

- 1) Slow Ride (no explanation required)
- 2) Slalom Ride – Rider navigates pylons while passenger must collect and then reset tennis ball on each pylon.
- 3) Ride the Plank – Rider must see if they can stay on the plank without falling off.
- 4) Oil Toss – Rider does a circle both ways around the oil drum while the passenger has five chances to throw an oil container into the drum.
- 5) Spud Hunt – Riders and passengers will circle a potato bin and when the whistle blows passengers must get to the bin and find a potato. Each round will see one less potato in the bin with the potato-less team being eliminated. (aka – musical chairs)

Required Club Participation

We are looking for riding clubs to have 5 representative couples, with each couple performing in 1 activity only. For every bike entered in the competition we will make a \$10 donation back to the Canadian Tire Jumpstart program which helps kids get involved in sports who perhaps can't afford it otherwise.

So if we get 10 clubs x 5 representatives we could raise \$500 in that hour for the Jumpstart program. Winner club will get to make the cheque presentation to the Jumpstart representatives and be featured on the Atlanticade website.

How Is The Winning Club Determined?

There are a maximum of 10 points available for each activity. The points awarded from each of the 5 activities are combined to produce a final total for the club, so your club could receive somewhere between 5 - 50 points.

What About Prizes?

Each bike entry will receive a participation bag from Canadian Tire with product from suppliers and a \$10 gift card from the store.

In addition there will be random draws during the event for all participants for chances to win products from the prize table.

There will be a winner declared for each activity and an overall club winner.
